

TIGHT LINE PRIVATE FLY FISHING TRIPS

Year-Round*

Get on the water with Tight Line Fly Guide and discover the majesty of Yosemite National Park and our legendary Sierra Nevada rivers like never before. Whether you're beginning your fly fishing journey or refining advanced trout techniques, every outing is designed to elevate your skills in one of the most iconic landscapes in the world.

Exploring the Merced River and Tuolumne River and their tributaries would provide the most seasoned anglers a lifetime of adventure, while being an ideal place for beginners to learn "the art of the fly", in one of the most pristine and iconic landscapes in the world.
